Dear Parent/Guardian,

Enclosed in this pack are a series of activities for your children to complete if the Government instructs schools to close. Please do not feel the need to complete any of this home learning before school closures are announced nationally and please do not feel that your children must complete all of the home learning tasks immediately. Instead, we recommend that you stretch them out and complete them as and when it is possible and appropriate for you to do so.

As we are unsure of how long school may be closed for, learning will be topped up if necessary via email, using the addresses provided during parents evening consultations. Learning may also be provided via the Purple Mash portal, which all of your children have a personal log in for. Reminders of these log ins will also be emailed out to you individually as and when needed.

We hope that you take this opportunity to enjoy the additional family time together, whilst staying safe and well.

Kind regards,

Miss Armstrong, Mrs King and Miss Richardson

Year 3 Class Team
