Monday 20th March 2020

Dear parents

I would like the children to create a travel brochure all about Italy. They can record their learning in their topic books. I have given the children their Topic Books. I have given the children a list of key questions for them to answer in their brochures however, these questions are not an exhaustive list and I would like them to be creative as possible. They should include information about specific cities with places of interest and information about famous Italian sites. The brochure should persuade the reader to visit Italy and should include information about weather, culture and entertainment. Please keep checking the school website for updates and more learning tasks.

Many thanks

Mr Purewal
