Friday 3rd April 2020

To all our St. Anthony's Family

I hope this letter finds you and all your extended families well. It already seems such a long time that we have been apart.

In these strange times it is hard to express in words how much I and all my staff miss seeing you each day, enjoying your happy smiling faces and your passion for learning. I know that your teachers have been in touch with you and that you have been sending some fab photos of things you have been up to. It would be lovely if I could also see some photos of your activities and it would make a great school memory treasure trove, if some of your photos can form part of an online gallery. Please can you email me any photos on head3544@welearn365.com and say whether you wish them to be kept private or they are ok to share on the School Website.

As we move towards Easter- next Friday is Good Friday- try to give some time to thinking about the promises you made at the start of Lent and how you wanted to change. Try and make a renewed effort over the coming week to achieve that promise. It would also be fabulous to know that you have made your own Palm branch and put it on your front door on Sunday.

Always remember that although we are not together, we are united in spirit and that you are all in my prayers.

Keep making special memories with your families and hopefully we will be back together soon.

God bless you all
Jane McSharry- Headteacher
