- We have at least two more amounts of **Match Funding** to be accounted for.
- The committee discussed various ways to spend funds, including playground gym equipment and new boxes for an outdoor library. Two further quotes to be sourced for play equipment by SR. EO to speak to Mr Bromley about buying new playground games such as hoola hoops, skipping ropes and balls.
- Unanimously agreed to give up to £350 to Mrs Armstrong for a raised pond to replace the existing one in the secret garden which is blocked. The facility will be used by Forest School and the older children during science lessons.
