

Proposal for Key Stage 1 Playground Enhancements:

Keys Issues:

- Enhance the existing equipment such as the boat, Buddy benches and mural
- Teachers and parents through the wish lists identified that line markings are a priority
- Deal with the puddle and root problems.

Fantasy Island.

Using the existing boat as a start point the idea is to create an adventure spreading the entire playground, allowing social, imaginative play whilst solving some of the puddling issues we are experiencing in some areas of tarmac.

The Play ship can be enhanced with the addition of simple ships wheel, anchor and telescope for added play.

We have broken the plan into 3 time-phases which should allow some elements to be implemented immediately as well as providing a plan and fundraising target for the next couple of years.

Phase 1: Immediate - Enhance boat, Playground Markings and Street Scene

Enhancements to boat (RSS)

Ships wheel	£40.75
Anchor	£40.75
Telescope	£68.00

Playground Markings (PMD)

Adventure trail	£414.75
100: 1-100 number grid	£682.50
A-Z sea snake	£328.65

Hopscotch (if we spend over £1000 with PMD)	Free
Shark Jump marking (if extra funds become available)	(£195)

Total phase 1 from current PTA funds allocation
£1575.40

(+£195)

Items targeted at local business sponsorship

Street scene made up from the following play scenes (examples) these can be individual or linked and can carry sponsorship depicting local businesses. Local businesses will be contacted immediately, using their own corporate responsibility statements as encouragement for them to sponsor a 'shop'

Shop	£295.00
Post Office	£295.00
Today's Date	£306.60
Find the Time	£285.60

Other examples:	
Bank	£295.00
Petrol Station	£295.00
Ice Cream Shop	£295.00
Drive Through	£295.00
Palm Tree	£256.00
5 x Simple benches	£495.00
3 x Toadstool Seats	£595.00

Phase 2: Treasure Island 2013/2014

This phase deals with the puddling issues as well as continuing the Fantasy Island theme.

Treasure Island, Using Coloured Tiger Mulch rubber Surfacing to create a raised island covering the depression in the tarmac thus reducing chance of puddles. Drains through the mulch.

Area of Island 10 sq mts	£650.00
Thermo graphic beach and waves	£375.00
2x Play palm trees	£512.00
Play Treasure chest seat.	£313.00
Total	£1850.00

Phase 3: Smuggles Island 2014/2015

Smuggler's Island with raised Tiger Mulch, beach etc
8 sq mts

Crawl through tunnel with tree / cave effect	£830.00
Thermo graphic waves and beach effect	£295.00
Total	£1645.00

Other items that will further enhance the playground should additional funds become available.

Play grass area creating ' Home ' with palm tree and village scene as well as simple seating, This to be formed from synthetic green grass and be approx. 12 x 2 with curved edge depicting cliffs to the sea.

£1560.00

4 x Portholes for boat	£118.00
Thermo Graphic Waves around boat	£ 85.00
22 mts Blue Grass 'Sea' with wave effect on ships bow	£960.00
Thermo Graphic Numbered Sea Serpent linking ship to Treasure Island	£585.00

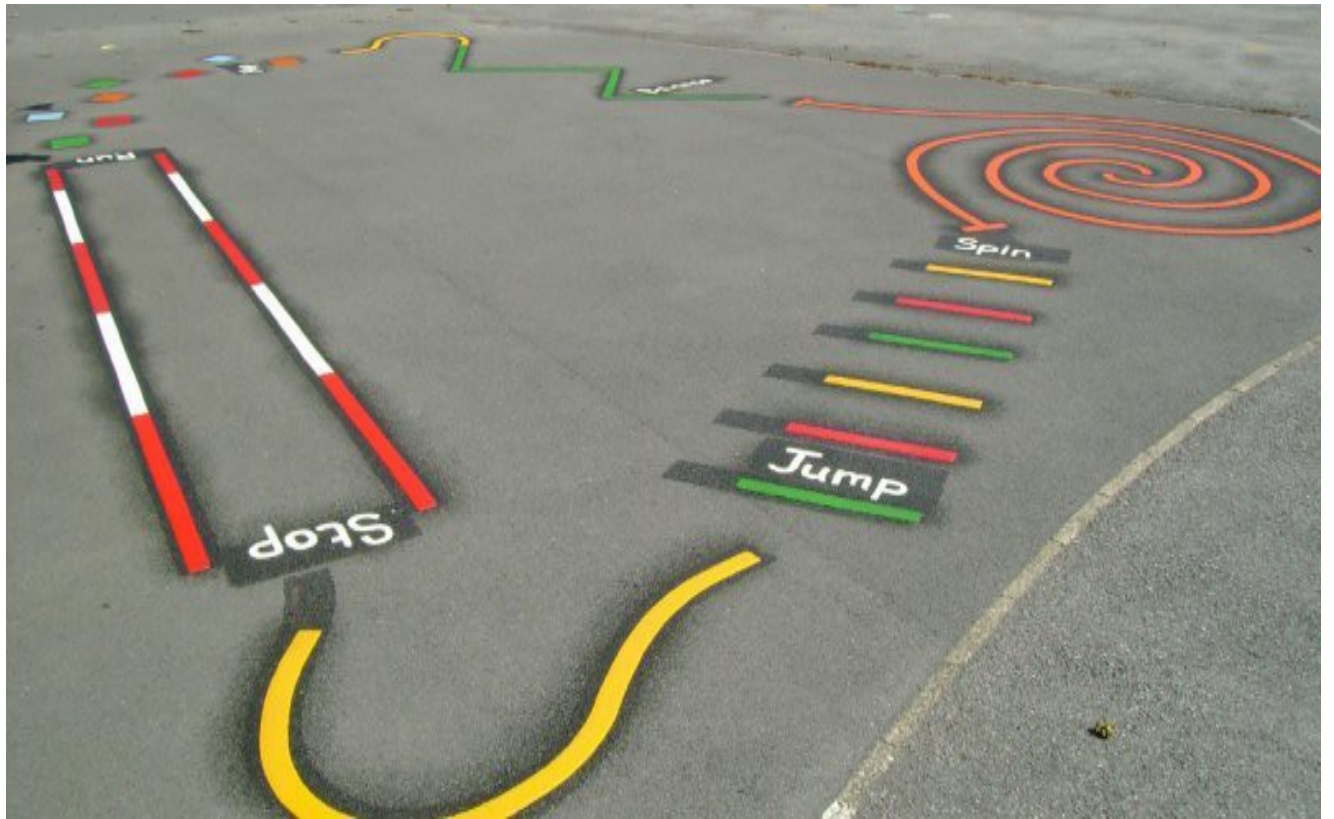

Move and utilise the seating area from KS2 playground to KS1, re-stain and add additional game tops

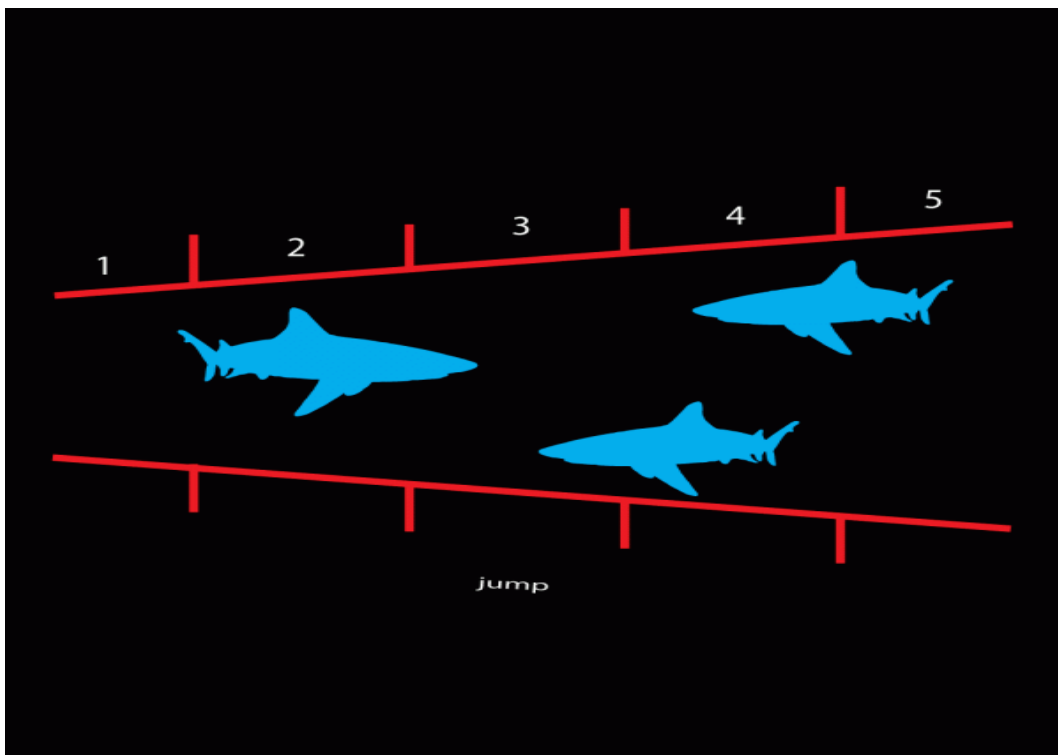

£600

[Above should only be actioned in conjunction with KS2 having a replacement for the area.]

Markings

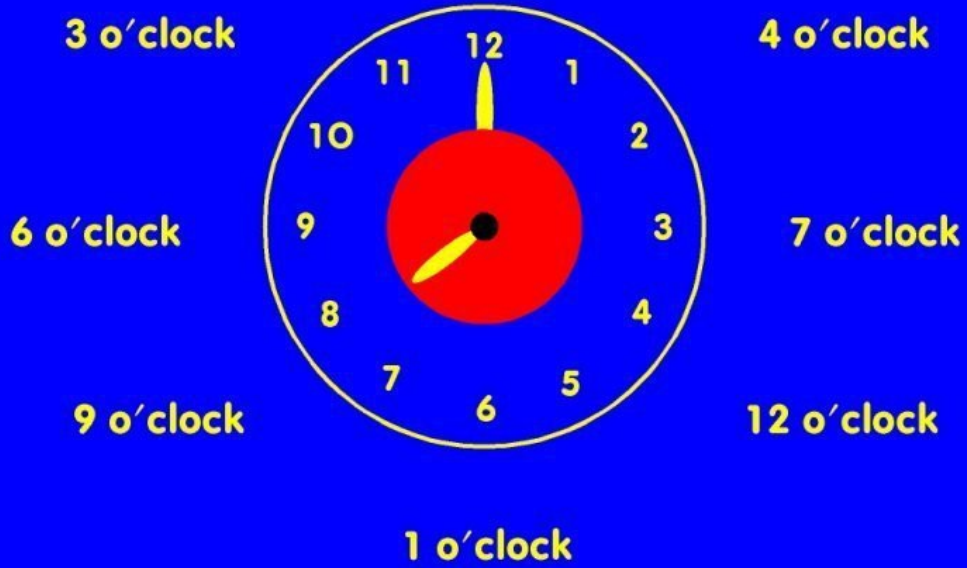

Shark Jump £195 - quite like this and wondered if we could include it
