

Purple Mash

Purple Mash is an online resource, packed with learning tools and games, designed for Primary aged children to use both at school and at home. All children have been given their own, completely secure username and password to enable them to access this resource from anywhere. Please help your child to follow these simple steps to log on to their account and explore at home.

1. Open google and type in welearn365

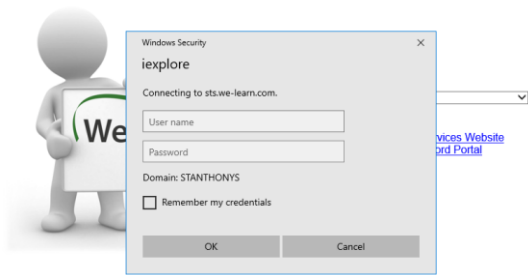

2. Click on the top link.

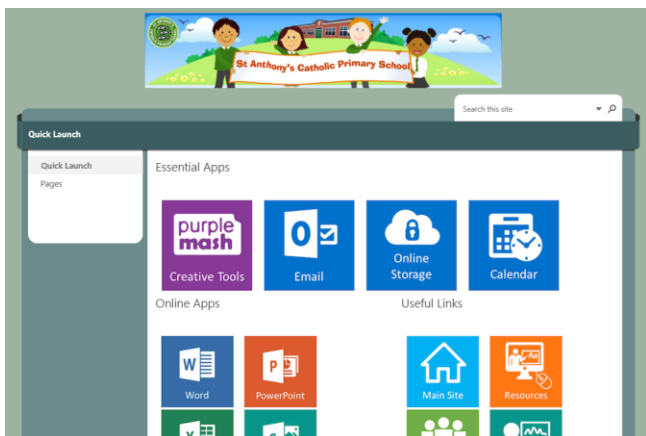

3. Select St. Anthony's Catholic Primary School from the drop down list.

4. Enter your email address and password in the box that appears.

5. Your home screen should look like this;

6. Click on the Purple Mash icon and explore!

All passwords: **fish.finger1**
